Gaston, the scion of a wealthy Parisian family finds emotional refuge from the superficial lifestyle of upper class Parisian 1900s society with the former mistress of his uncle and her outgoing, tomboy granddaughter, Gigi. When Gaston becomes aware that Gigi has matured into a woman, her grandmother and aunt, who have educated Gigi to be a wealthy man's mistress, urge the pair to act out their roles but love adds a surprise twist to this delightful turn-of-the 20th century Cinderella story.</p> <p style="text-align: center;">Mail delivered Monday – Saturday, Coffee available at your request Schedule subject to change without notice</p>
